Acceptable financial documents must have been issued (by the financial institution) within 6 months of the date the Acceptance Form was submitted with the Affidavit of Support (below) if necessary. Please refer to the following website for financial amounts required to be shown at time of application for each program: oregonstate.edu/admissions/international/applying/certification-finances. Be sure to keep copies of your financial documents as you will need to present them to the US Consular Officer at your visa interview and to the US Immigration Officers at the Port of Entry.

Parent/Personal sponsor whose name is on financial documents must complete this portion.

Spouses, relatives and other personal sponsors are required to complete the "Affidavit of Support" form when funds held in their name are provided as financial documentation by an international student at time of application. The Affidavit of Support helps confirm the legitimacy of financial documentation presented by the student.

Additional Support Needed for Dependents

If you have a spouse or children that will accompany you to the United States, you must include a minimum of an additional $11,500 per year for your spouse and $5,100 per year for each additional dependent. Please note that this estimate for dependents is the minimum amount you must show. If purchasing insurance in the US for dependents, actual costs for your dependents will likely increase.
