

INTO Suffolk 2026-2027 HOUSING PREFERENCE FORM

Please rank your housing preferences below based on your program. Housing assignments are based on availability. We will do our best to accommodate the housing type preference if submitted by the deadline (**Fall: July 1, Spring: December 1**). Students who confirm after the guaranteed housing date will be put on a waiting list.

Live-On Requirement: International Direct, International Direct Transfer, International Year One, and Academic English students also applying for **International Direct, International Direct Transfer, or International Year One (age 21 and under at time of program start)** are required to live in on-campus housing during their first two semesters.

Academic English:

Academic English-only students may choose to live in on-campus housing, but are not required.

Graduate Students:

Integrated Master's and **Graduate Certificate** students may choose to live in on campus housing based on availability. Graduate students are not guaranteed a housing assignment. Submission of the Housing Preference form by the deadline (*Fall: July 1, Spring: December 1*) will hold a housing reservation, if rooms are still available.
