Religious and Cultural Support

Prayer Rooms on Campus

Being a part of Mason's multicultural community means respecting and representing many different religions around the world. You are welcome in this community regardless of denomination or any spiritual beliefs. Our students have facilities and clubs to express their faiths and explore other faith communities in a safe, inclusive environment.

Students can find a variety of multifaith quiet rooms on campus. There is a new meditation space in the Mason Global Center with lockers and foot-washing stations, as well as a quiet prayer room on the 3rd floor of the Johnson Center.

Campus Ministry

There are over 20 Campus Ministry Associations at Mason you can join to discover, learn and engage in conversations about different faiths. A full list is available at mason.gmu.edu/~ministry/.
