

# Travelling to the US

## Frequently Asked Questions – SPRING 2022

**Is it required to be vaccinated to travel to the US?** Yes, for most travelers. International students may be exempt from the vaccine requirement based on certain factors (including, but not limited to, age and vaccination rate of home country). Please refer to the US Department of State website for the most up-to-date information. <https://travel.state.gov/content/travel/en/international-travel/emergencies/covid-19-faqs-for-travel-to-the-us-information.html>

**Do I need a negative COVID-19 test to travel to the US? If so when/how many days before travel?**

Fully vaccinated travelers will still be required to show proof of a recent negative test within 3 days of flying to the US in addition to their proof of vaccination. Please refer to the US Department of State website for the most up-to-date information.

**Once I arrive in the US, am I required to take another COVID-19 test before starting classes on-campus/ moving to campus housing?** No.

**Once I arrive in the US, am I required to self-quarantine? If yes, for how long?** No.

**If I am required to self-quarantine, is university housing able to accommodate this for me?** N/A.

**If I am required to self-quarantine, will orientation or classes start online or do I need to arrive in the US early to meet quarantine requirements?** N/A.

**Am I able to get the COVID-19 vaccine in the US as an international student?** Yes.

**Is the university delivering COVID-19 vaccines to international students?** Yes.

**If so, how and when will this be arranged?** Please see the UAB United website for additional information and to schedule your vaccine appointment: <https://www.uab.edu/uabunited/covid-19-vaccine>

**If not, where and how can I get the vaccine?** N/A.

**How much does the vaccine cost?** There is no cost for the vaccine.

**Is there on-campus support to help me with the vaccination registration?** Yes.

**Is a COVID-19 vaccine required to attend class on campus?** No.
