COMMITTED TO EMPLOYABILITY

The University of Stirling is committed to equipping its students with career management skills. With strong links to global and local organisations, the University has been awarded five-star excellence for employability*.

DEVELOPING YOUR FUTURE

Stirling graduates stand out. All degree programmes are designed to help you build the skills you will need to develop a clear career path and put you on track for future success, while leading academics will equip you with the specialist industry knowledge you'll need to make an impact in your chosen field.

* QS World University Rankings 2020

IDEAL LEARNING ENVIRONMENT

The University's beautiful 330-acre campus offers an unrivalled living and learning environment, with Stirling city centre close to campus. You'll have the ideal combination of a peaceful learning space and an energetic city atmosphere.

EXPLORE CENTRAL SCOTLAND

Stirling is the perfect location to make the most of what central Scotland has to offer. Glasgow and Edinburgh are in easy reach, with trains as quick as 30 minutes to Glasgow and 45 minutes to Edinburgh. Enjoy visiting two of Scotland's largest cities for weekend adventures, festivals, concerts and exceptional shopping opportunities.

WORLD-CLASS SPORTS FACILITIES

Crowned the UK's Sports University of the Year in recognition of its world-class facilities and excellence across sports performance, research and education, the University of Stirling has continuously produced a whole host of star athletes.

FLEXIBLE LEARNING OPTIONS

You have the freedom to choose your own path here. As an INTO University of Stirling student, you can choose to enter a degree at the University of Stirling once you successfully complete your pathway programme, or you can apply to another leading Scottish university. This means that you can customise your studies to your interests and passions.

BE PART OF OUR COMMUNITY

The University of Stirling's breathtaking 330-acre campus is centred around a large loch and is home to the magnificent 18th-century Airthrey Castle. All the facilities you need here are a short walk from each other, so you won't need to go far to buy groceries, visit a doctor, or socialise in a vibrant setting.

YOUR INTO STUDY CENTRE

The INTO Centre is located at the centre of campus, so you will become part of the University of Stirling community from the day you arrive. This state-of-the-art building is equipped with modern learning facilities and is where most of your classes will take place, with many social spaces around the building to unwind with friends and quiet places for independent study.

"This is a gorgeous campus surrounded by rolling hills and wildlife. Stirling's campus is one of the reasons why I found it so easy to settle in."

TRANSFORMING YOUR CAMPUS

The £41 million Campus Development Project will make facilities even more accessible at Stirling, including:

- state-of-the-art gym and sports facilities
- Co-op supermarket with integrated Post Office and Amazon Lockers
- enhanced retail and catering
- new transport hub
- even more study and social spaces

HERE TO SUPPORT YOU

From the moment you arrive, our Student Services team will help you settle into life at Stirling. Services include:

- help with opening a bank account and registering with a doctor
- visa and immigration guidance
- extra support for students under the age of 18
- 24-hour telephone helpline for out-of-hours questions

When you progress to the University of Stirling, the support will continue at the friendly and welcoming Student Services Hub and the dedicated Careers and Employability Service.

UNIVERSITY FACILITIES

You will also have access to many of the University's facilities, such as:

- 24/7 Library Study Zone
- MacRobert Arts Centre – enjoy live music, comedy, drama and movies
- Sports Centre – currently undergoing a £20 million redevelopment to create a new state-of-the-art sporting environment. Once open, you will benefit from:
 - indoor cycling studio
 - fitness suite
 - 50m swimming pool
 - 9-hole golf course
 - 400m athletics track
 - tennis and squash courts

STUDENT SOCIAL LIFE

You will take part in an orientation programme in your first week which will give you the chance to meet other students and settle into life in Stirling.

In the top 20 for student satisfaction in the UK (National Student Survey 2020), social activities at the University include:

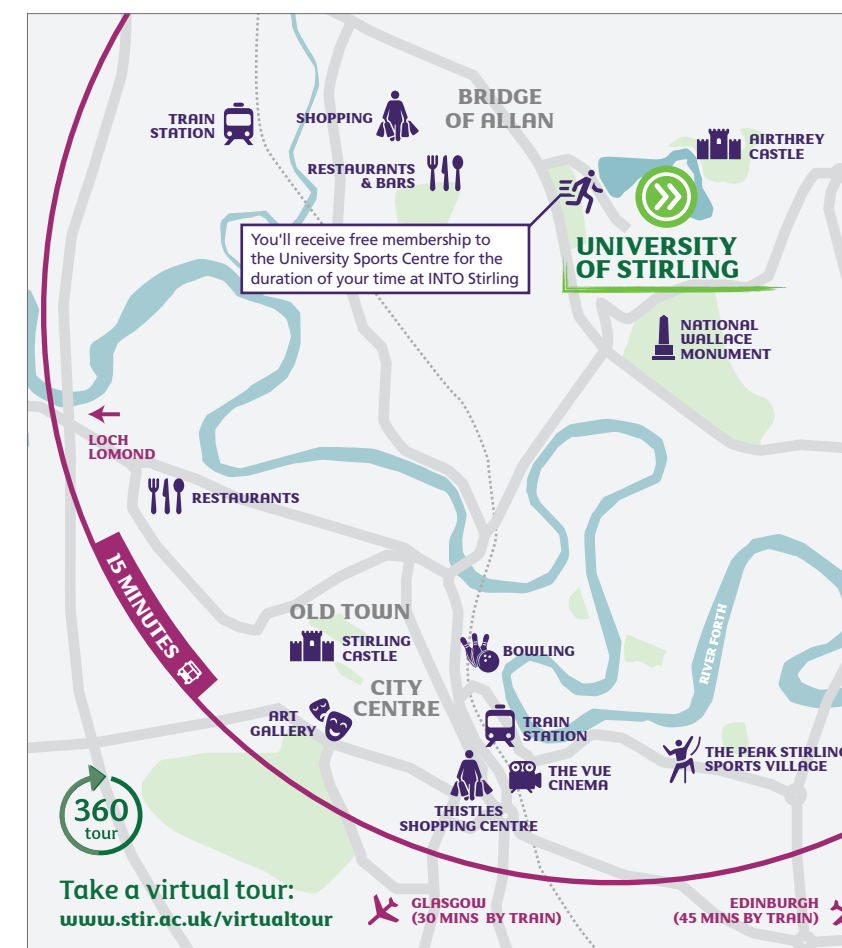

- day trips and events organised by the INTO Centre, with previous events including ghost walks, ceilidhs and international food days
- 120+ clubs and societies, from comics and gaming to sports clubs, faith societies and international societies
- sports halls and courts for hire to play basketball, squash and tennis with friends, or try a drop-in dance class
- enjoy a drink from the juice bar or a snack while watching live music at Venue, which transforms into an entertainment venue in the evening
- live sport broadcasting, open mic nights, quizzes and karaoke at Studio
- grab a booth at Underground to enjoy Starbucks coffee with friends

"Stirling's rankings in sports are really high and the gym is the best quality in Scotland. That's why I decided to study here."

GLASGOW
(30 MINS BY TRAIN)

EDINBURGH
(45 MINS BY TRAIN)

BE ADVENTUROUS

Located in central Scotland, the vibrant and welcoming city of Stirling is the most affordable student city in the UK and has a large student population. Its quick rail links to Glasgow and Edinburgh makes it the ideal location to go on an adventure.

A CITY YOU WON'T FORGET

Stirling is big enough to offer everything you'd expect from a modern city, while also offering a community feel.

Buses run regularly from the campus to the city centre and take just 10 minutes. As 20% of residents are aged between 16–29, there are plenty of fun social events to attend. You will also find:

- a great selection of coffee shops, bars and pubs to enjoy with friends
- Mediterranean, Italian, Asian and Indian restaurants in the city centre
- Asian supermarkets to buy specialty ingredients
- Loch Lomond and Trossachs National Park for outdoor adventures
- historic sites such as the Old Town where you'll find Stirling Castle
- entertainment options including a 10-pin bowling alley, a multiplex cinema and live music venues
- shopping centre with 80+ retailers
- a Jail Break Escape Room with fun and challenging puzzles and tasks

YOUR SCOTTISH ADVENTURE

If you want to explore the rest of Scotland, Stirling is only a short train ride away from both Glasgow and Edinburgh.

Glasgow is the biggest city, featuring:

- 2nd busiest shopping street in the UK
- around 2,000 restaurants and bars
- Scotland's national football stadium
- the SSE Hydro – Scotland's largest venue for concerts and comedy gigs

Edinburgh is Scotland's capital, offering:

- the world's largest arts and comedy festival, the Edinburgh Fringe Festival
- a UNESCO World Heritage site
- the National Museum of Scotland
- Scotland's national cricket ground

"I visited most of Scotland, I would say. Just having that hub in Stirling allowed me to go anywhere."

Juan, Venezuela
Graduated with BA (Hons) Politics and Economics from the University of Stirling

BE AT HOME

INTO University of Stirling's safe student residences are on campus and close to the INTO Centre, meaning that you are just a five-minute walk away from your classes.

SUPPORTING YOU

In the residences, you will find staff available 24/7 to offer support. If you are under the age of 18, we offer extra support, such as regular welfare meetings, to ensure that your experience is a happy one.

INTO University of Stirling aims to provide the accommodation requested. However, there may be occasions when INTO University of Stirling is unable to provide the requested accommodation and reserves the right to offer an alternative type of accommodation instead. The price for any alternative accommodation may differ and will be confirmed to students at the time of their offer.

"The community in Stirling is very international so it was quite easy to settle into life here, to be honest. You settle in fast with the help of friends in your global community and you actually feel at home."

Stefanie, Malaysia
Completed an International Foundation and progressed to BA (Hons) Journalism Studies at the University of Stirling

EN SUITE CAMPUS ACCOMMODATION

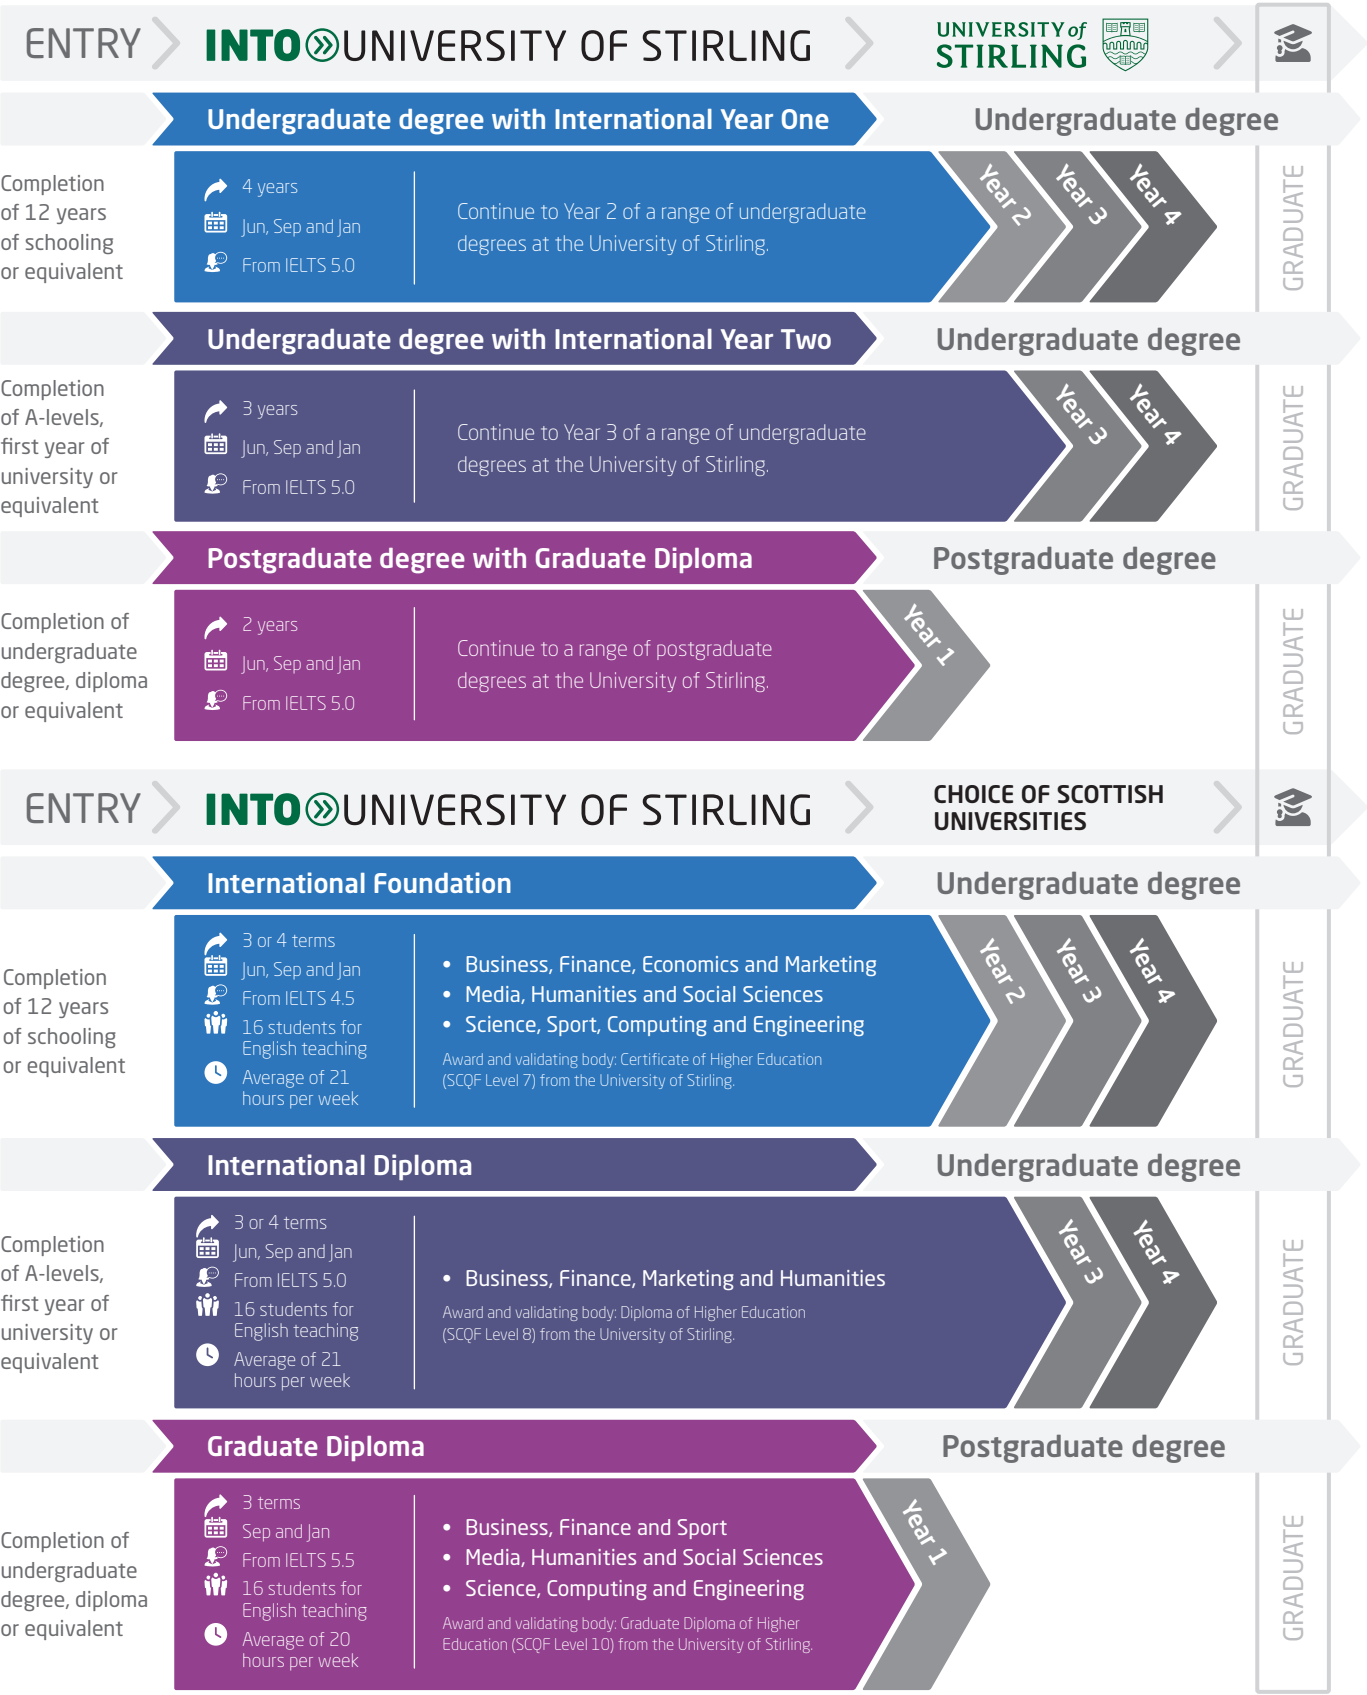

Located on campus, your en suite bedroom is part of a flat of up to nine other bedrooms. You will share a kitchen and living area with a sofa and TV – the perfect space to relax and socialise with your new friends. Laundry facilities are located just a two-minute walk away from your accommodation.

For full details of our other accommodation options, visit:
www.intostudy.com/stirling/accommodation

Choosing your course

Our combined academic preparation and degree programmes, designed in partnership with the University of Stirling, allow an easy transition between your preparatory studies and degree. Alternatively, you can prepare for a degree programme at a choice of Scottish universities with our tailored academic pathway programmes.

Please note that course length and start month options may vary depending on the pathway chosen. Please visit www.intostudy.com/stirling/courses for full information.

Undergraduate degree with International Year One - IY1

- > Combine your preparation year with your undergraduate degree in one programme, requiring a single CAS for the duration of your studies. You won't have to worry about applying for multiple study visas!
- > Develop your understanding of academic subjects related to your chosen degree programme as you improve your English language and study skills.
- > Benefit from knowing that you'll continue directly to Year 2 of your undergraduate degree, provided you meet the academic requirements after the first year of your study plan.

Year 1 of study plan

You will need to earn 120 credits from your modules to complete the first year of your study plan:

Core modules:

Core Mathematics and Statistics (20 credits)
English Language for Academic Purposes (20 credits)
ICT, Research and Study Skills (10 credits)
Introduction to British Culture and Society (10 credits)

Specialist modules:

You will also take compulsory specialist modules for your degree programme. These modules will depend on your area of study, but could include:
Foundation Biology; Principles of Computing;
Introduction to: Business, International Politics, Economics, Psychology or Sports Studies.

Undergraduate degree with International Year Two - IY2

- > Combine your preparation year with your undergraduate degree in one programme, requiring a single CAS for the duration of your studies. You won't have to worry about applying for multiple study visas!
- > Develop your understanding of academic subjects related to your chosen degree programme as you improve your English language and study skills.
- > Benefit from knowing that you'll continue directly to Year 3 of your undergraduate degree, provided you meet the academic requirements after the first year of your study plan.

Year 1 of study plan

"Studying abroad really helps you work with people from different cultures and nationalities. Being a student abroad shows that you're a really brave person. All of us have a really stereotypical thinking about countries, people and cultures, but here you open your mind and enjoy people and different opinions about questions."

Mariia, Russia
Graduated with BA (Hons) Human Resource Management from the University of Stirling

Popular degree programmes

An International Diploma can lead to the third year of a variety of undergraduate degree programmes at the University of Stirling. Here are some of the most popular degrees:

Business Studies BA (Hons)

- Work with global companies on real business problems that are assessed and rated through Riipen. As you complete more challenges, you'll build your professional portfolio, boost your skills and network with potential employers.

Film and Media BA (Hons)

- Master the theoretical and critical aspects of film and media as you take advantage of opportunities to become fully trained in practical skills such as audio production, video editing, scriptwriting and more.

Marketing BA (Hons)

- The University's connection to the Chartered Institute of Marketing (CIM) means you have the opportunity to gain professional qualifications through the CIM Graduate Gateway, gaining exemptions in a number of modules.

Academic Skills and ICT for Postgraduate Study (20 credits)	Extended Project and Research Skills (20 credits)
Empirical Enquiry and Critical Thought (20 credits)	Management and Organisation (20 credits)
English for Graduate Study (20 credits)	Quantitative Methods in Business and Social Sciences (20 credits)

Find out more online at www.intostudy.com/stirling/GDBFS

Media, Humanities and Social Sciences - GDMHSS

- › During your pathway programme, you will be able to attend specialist lectures and seminar sessions at the University to prepare you for university teaching.
- › Opportunity to progress to a postgraduate degree at Stirling's Faculty of Arts and Humanities, Faculty of Social Sciences, or another Scottish university.

What will I study?

You will need to earn 120 credits from the following modules:

Academic Skills and ICT for Postgraduate Study (20 credits)	Extended Project and Research Skills (20 credits)
Empirical Enquiry and Critical Thought (20 credits)	Media and Creative Industries (20 credits)
English for Graduate Study (20 credits)	Quantitative Methods in Business and Social Sciences (20 credits)

Find out more online at www.intostudy.com/stirling/GDMHSS

Science, Computing and Engineering - GDSCE

- › Benefit from an in-depth knowledge of research principles, methods and ethics, as well as mathematical and statistical theories and industry concepts.
- › Progress to a postgraduate degree in Artificial Intelligence or Big Data at Stirling, or a degree in science, computing or engineering at another Scottish university.

You will need to earn 120 credits from the following modules:

Core modules:

Academic Skills and ICT for Postgraduate Study (20 credits)
English for Graduate Study (20 credits)
Extended Project and Research Skills (20 credits)

Specialist modules:

You will also take compulsory specialist modules related to your area of study. These modules will be confirmed when you start your course.

Find out more online at www.intostudy.com/stirling/GDSCE

Pre-Master's (3 or 6 months) - PM

- › Improve your English language skills and develop research and study skills in a short 1 or 2-term programme, before progressing to a postgraduate degree at Stirling.
- › 2-term students will undertake a research project to learn how to understand research methodologies and collect and analyse statistical data in order to reach a conclusion.

What will I study?

You will need to earn 80 credits from the following modules to successfully complete your pathway programme and progress to one of more than 40 degrees at the University of Stirling:

- Academic Skills and ICT for Postgraduate Study (20 credits)
- English for Graduate Study (20 credits)
- Empirical Enquiry and Critical Thought (20 credits)
- Extended Project and Research Skills (20 credits) (6-month only)

Academic English

- › For students who need to increase their IELTS level in order to progress to university. This intensive course offers rapid progress of up to one IELTS band per term.

Course features

- You will learn through face-to-face teaching and online learning to communicate effectively in English and improve your reading, writing, speaking and listening skills.
- A diverse social programme and effective academic content will help you to develop the fluency and confidence you need to progress to further study.
- Access INTO's interactive online learning platform, MyINTO, outside of class to practise your English language skills, complete tasks and engage with your classmates.
- Developed in partnership with Cambridge English, the world leader in language assessment, INTO English Language Assessment (IELA) provides a standardised online assessment of all four core language skills throughout your studies. The IELA test is available to you as an additional form of assessment and allows you to choose from a wide range of Higher Education institutions.

Pre-sessional English

- › For students who are academically qualified and hold an offer from the University of Stirling, but need to improve their English language skills to the level required for their degree. This course offers progress of up to one IELTS band in one or more skills in the 12-week course and up to 0.5 IELTS band in one or more skills in the 6-week course.

Course features

- Prepare for your degree by learning English language and study skills tailored to the requirements of university study in a 3, 6 or 12-week course.
- Learn from experienced teachers and alongside students who will be studying the same – or similar – subjects as you at the University.
- Study academic vocabulary related to your degree and learn how to give presentations on areas of academic interest to practise this terminology.
- Get used to living and studying in the UK and adjust to the style, challenges and expectations of the UK higher education system.

Find out more about Pre-sessional English:
<https://go.intostudy.com/university-of-stirling/pre-sessional-english>

There is also a 10-week online Pre-sessional English course which starts in October and gives progression to degrees starting in Jan or Feb. For more information, please visit the University of Stirling website.

January (2 terms)	Mon 10 Jan 2022-Fri 10 Jun 2022	*Provisional dates that may be subject to change			
April (2 terms)	Mon 04 Apr 2022-Fri 26 Aug 2022				

Prices shown are for the current academic year of 01 September 2020 - 31 August 2021 and for indicative purposes only. All students who confirm their offer on or before 31 January 2021 will pay the 2020/2021 price as per their existing offer letter. After 31 January 2021, where tuition fees have increased, all current offers will be reissued and students will receive a new offer with the new 2021/2022 pricing. For full details of term dates, please visit the relevant course page at www.intostudy.com/stirling/courses

* Prices shown are for our stand-alone university preparation courses only. Prices for year 1 of our courses, which combine a pathway with a degree programme under a single CAS, are the same as the stand-alone prices. Prices for subsequent years are in line with University tuition fees.

** The price will depend on your start date and length of study. Prices shown are only for one term.

Vacation weeks in between terms are extra and will be charged at the weekly accommodation price.

† Please note airport pickup is optional and is not included in the total.
