ABOUT SUFFOLK UNIVERSITY

At Suffolk University, your education will go beyond the classroom with custom-built degree programs designed to lead to exciting careers.

From your first semester, you will work with real-world companies and industry leaders to help you build a professional network to launch your career. Internships, class visits to companies and the halls of government, and lectures by civic leaders and executives in private enterprise: all of these possibilities are right next door to Suffolk University.

Our innovative, interdisciplinary degree programs reflect the contemporary world our student graduates. Programs like urban environmentalism, entrepreneurship, big data and business analytics, or politics, philosophy and economics (PPE) will expose you to ideas and methods of thinking that will open your mind and widen your career options after graduation. Our small class sizes enable a level of individual attention that can help set you up for success.

Ranked by *U.S. News & World Report* among the top universities for international students in 2019, Suffolk proudly welcomes students from all over the world to our downtown Boston and Madrid campuses. Nearly a quarter of our undergraduate students come from abroad. Our International Student Services Office can assist you with immigration issues and cross-cultural communication. You can join one of 80+ student groups consisting of numerous international clubs and organizations to connect with fellow international students.

THE INTO SUFFOLK ADVANTAGE

Suffolk University partners with INTO to create a support system for international students. We offer Academic English, International Year One, Undergraduate Transfer Program, Graduate Pathway and Direct Entry programs where you will work alongside your American peers and earn credit towards your degree while improving your English skills. After successful completion of your program, you will be able to progress to a Suffolk degree program.

INTO Suffolk is located on campus and provides students many services including:

- Personalized academic, language and cultural support
- Free airport pickup to welcome you to Boston
- Orientation activities to help you adjust to Suffolk
- Housing support to help you find the right place to live
- Tutoring and language support to encourage your success
- Social activities and trips with other students
- Visa and Immigration support

94.5% of all Pathway students were eligible to progress at Suffolk in 2018-19. Eligible students are those who successfully completed the Pathway program and qualified for admission as degree-seeking students. Enrolled students are those who enrolled as degree-seeking students in their next term of degree study at Suffolk University.

ADJUSTING TO AMERICAN ACADEMICS

The Center for Learning and Academic Success (CLAS) is a one-stop shop for student support. At CLAS, you can find tutoring, study groups, academic coaching, as well as academic skills and English language workshops. For students whose primary language is not English, CLAS also has math, statistics and accounting drop-in help.

Deutsche Bank 2019

#12 Best Student Cities in the World

QS World University Rankings 2019

Boston has a reputation for strong academics, but it's so much more than that. Boston hosts some of the biggest names in higher education. Beyond that, Boston is a sought after location for quality of life. Museums, concert halls, shopping districts, booming restaurants—you can find it all in Boston.

Boston is considered one of the most walkable cities in the US, so there's no need to worry about not having a car. The campus is centered in Downtown Boston, so you are always just steps from where you need to be. While not in class, you can find patches of greenery to relax in, such as the Boston Public Garden and Boston Common—both walking distance from campus. There are eight subway stops within a five-minute walk from campus, making it easy to explore the Greater Boston area.

A City Full of Possibilities

Home to many Fortune 500 companies, Boston offers countless options for internships and employment after graduation. With leading companies and industries right in your backyard, Suffolk students can seek employment at:

- Over 1,400 financial firms including Citi, Goldman Sachs, Paypal and Berkshire
- Nearly 1,900 law firms
- More than 1,900 technology companies including Raytheon, Boston Scientific and Biogen
- Medical and healthcare institutions such as Boston Medical Center, Massachusetts General Hospital, Brigham and Women's Hospital, Children's Hospital and Beth Israel Deaconess Medical Center
- Political centers and nonprofit organizations such as the Massachusetts State House, Boston City Hall, Boston Partners in Education and Community Works
- Other well-known companies including The Boston Globe, Boston Red Sox, Clear Channel, HubSpot, TripAdvisor and Wayfair

STUDY AT SUFFOLK'S MADRID CAMPUS

Boston isn't the only city we call home. Located in Spain, Suffolk's Madrid Campus offers students the opportunity to study in this world-class city. First-year direct entry students can choose to study in Madrid for up to two years before making the transition to Suffolk University in Boston. Government majors with a concentration in international relations can choose to fulfill all four years of their undergraduate degree at the Madrid campus. Any student can spend a semester or summer in Madrid, regardless of their major.

Why Madrid?

Madrid, a city full of vibrance and culture, is Spain's capital and home to a world of history and heritage. Its great cost of living makes it one of the most attractive study abroad cities in Europe. From multiple museums to a great culinary scene, there are many aspects to explore in Madrid. Having all of these options makes it a great hub for global connections. You will have the opportunity to immerse yourself in a new culture and a new language, enriching your study abroad experience and broadening your world view.

Suffolk's Madrid campus, located at the intersection of Avenida del Valle and Issac Peral, is nearby the city center and home to 150 students from all over the world. Whether you choose to spend a semester abroad in Madrid or longer, you will get the opportunity to learn Spanish and English.

We offer many undergraduate courses in a variety of subjects, including art history, business, communication, computer science, English, government, history, science, sociology, Spanish and general education requirements. Class sizes range from around 15-25 students, giving a personalized academic experience. We want you to feel at home, so we offer assistance with anything from academic to social support during your time on campus.

*Students are required to live in on-campus housing for their first two semesters, unless their total study plan is fewer than two semesters.

Meal Plan:

Meal plans are required for students who live on-campus. Students who live off campus are able to purchase a meal plan, but it is not covered in the cost of their accommodation.

Double Room, Shared Bathroom

Two to four students within two bedrooms connected by a shared bathroom or two students in a shared room with a community bathroom facility.

Note: The floor plan provided is an example. Room types and sizes vary depending on building and floor.

Off-Campus Housing Options

On-campus housing is available for undergraduate students only. For more information regarding off-campus housing, please visit: www.suffolk.edu/student-life/housing-dining/off-campus-housing

Benefits of On-campus Housing:

Assurance: University-sponsored residence halls are guaranteed for all incoming freshman for two years.

Productivity: Being so close to your classes, the library and study spaces helps you stay on top of your workload.

Convenience: You'll find public transit, shopping, restaurants, theaters and cultural attractions just steps from your new home.

Your education will come alive in a city full of internships and volunteer programs that deepen your studies in real-world ways. Our proximity to major media outlets, theatre companies, sport teams and everything from start-ups to Fortune 500 companies gives you access to industry leaders and innovators who will inspire you.

Students Tackle Real Business Problems with Real Clients

When students study marketing at Suffolk's Sawyer Business School, they practice connecting with real companies and finding solutions to industry problems. Suffolk students have helped local grocery chain Roche Bros. find new ways to engage their customer base and become the preferred catering vendor in the neighborhood.

Broadcasters Get Their Start at Suffolk

Students in Suffolk's broadcast journalism program hit the airwaves before they even graduate, reporting for the "Suffolk in the City" program on New England Cable News. They pitch topics, film and edit news stories and present them with live commentary every Friday.

Gain Experience by Giving Back

A passion for serving the community is central to the Suffolk experience. Students have donated their time and talent to organizations like:

- The Greater Boston Food Bank
- New England Center and Home for Veterans
- Boston Housing Authority
- Jumpstart

Make the Most of Career Opportunities

Gaining experience in a work environment is a great way to make the most of studying abroad. Curricular Practical Training and Optional Practical Training are both ways that you can explore your potential. Over the last three years, Suffolk has had 1100 unique placements, allowing undergraduate and graduate students to take part in internships during and after their studies

What is Curricular Practical Training (CPT)?

Curricular Practical Training allows international students in F-1 status to take part in professional or temporary employment.

What is Optional Practical Training (OPT)?

Optional Practical Training allows international students in F-1 status to take part in professional or temporary employment that is directly related to the student's area of study, before or after they have graduated.

Refer to page 12 for more information on OPT and CPT.

"I love the teaching style here because you get a lot out of projects and I enjoy listening to other people's points of view. I'm really connected to data analytics. I love to research and to delve deeper into topics, investing my thoughts and my ideas into my work. When you study abroad, it can be difficult at first to adapt to the differences of a new country. It's exciting when you find similarities in different cultures. The versatility of INTO Suffolk means that you can explore that. It's helped support and build my confidence in a new way."

UNDERGRADUATE ADMISSIONS

We offer several routes to admission. With many exciting bachelor's degrees, flexible study plans and start dates throughout the year, we will help you find the option that's right for you.

There's no need to stress about where you start; just focus on where you're going. You can complete your degree at any stage. We don't design our programs for one type of student; our programs are built for everyone. Where you will begin depends on your grades and English level. Where you end up is where you want to be: graduating with a bachelor's from Suffolk.

→ **DIRECT ENTRY:** If you meet the academic and English language requirements for your degree program, you can apply directly to Suffolk University.

To apply, you will need the following required documents: declarations, high school transcripts, university transcripts (for transfer applicants), proof of degree, personal statement, accounting of time, passport, English test score and proof of enrollment (transfer student only), recommendation letters and portfolio (Arts and Design). An application fee may apply. For more information, visit www.suffolk.edu/admission/international-students

→ **INTERNATIONAL YEAR ONE:** International Year One allows you to begin earning credits toward your degree even if you don't meet the academic and English requirements for direct entry. You will receive additional support to help you successfully complete your first year and graduate in the same amount of time as direct entry students. Your program length is determined by your English language scores. For more information, visit www.intostudy.com/suffolk/programs

US UNDERGRADUATE EDUCATION SYSTEM

To graduate with your 4-year undergraduate degree, you will need to take the following classes:

Core classes: General education courses can include English composition, social sciences, humanities, history, mathematics and natural/physical science. These are typically taken at the beginning of your degree.

Major classes: These classes will be about the specific field of study you chose. They are typically taken toward the last part of your degree.

“You are encouraged to explore your studies, to speak and think freely. I’m interested in pursuing trade law research and improving my knowledge in this field. I like the flexibility of the course and how they teach us to shape our writing. Studying in Boston, you are in the heart of a city that is known for its law and education. It’s the perfect place to have your international experience”

Chanokchon, Thailand

Why Choose UTP?

Choosing UTP provides a customized, cost-effective path to your bachelor's degree. Before your program starts, Suffolk will provide you with an estimate of credits that will transfer to the university. Once you arrive on campus, our friendly staff will be available to help you transition into life at a US university. You will also have access to helpful resources including academic, English language and cultural support. If you do not meet the English language entry requirements for the UTP, you can enter our Academic English program before progressing to either the UTP or direct transfer to Suffolk.

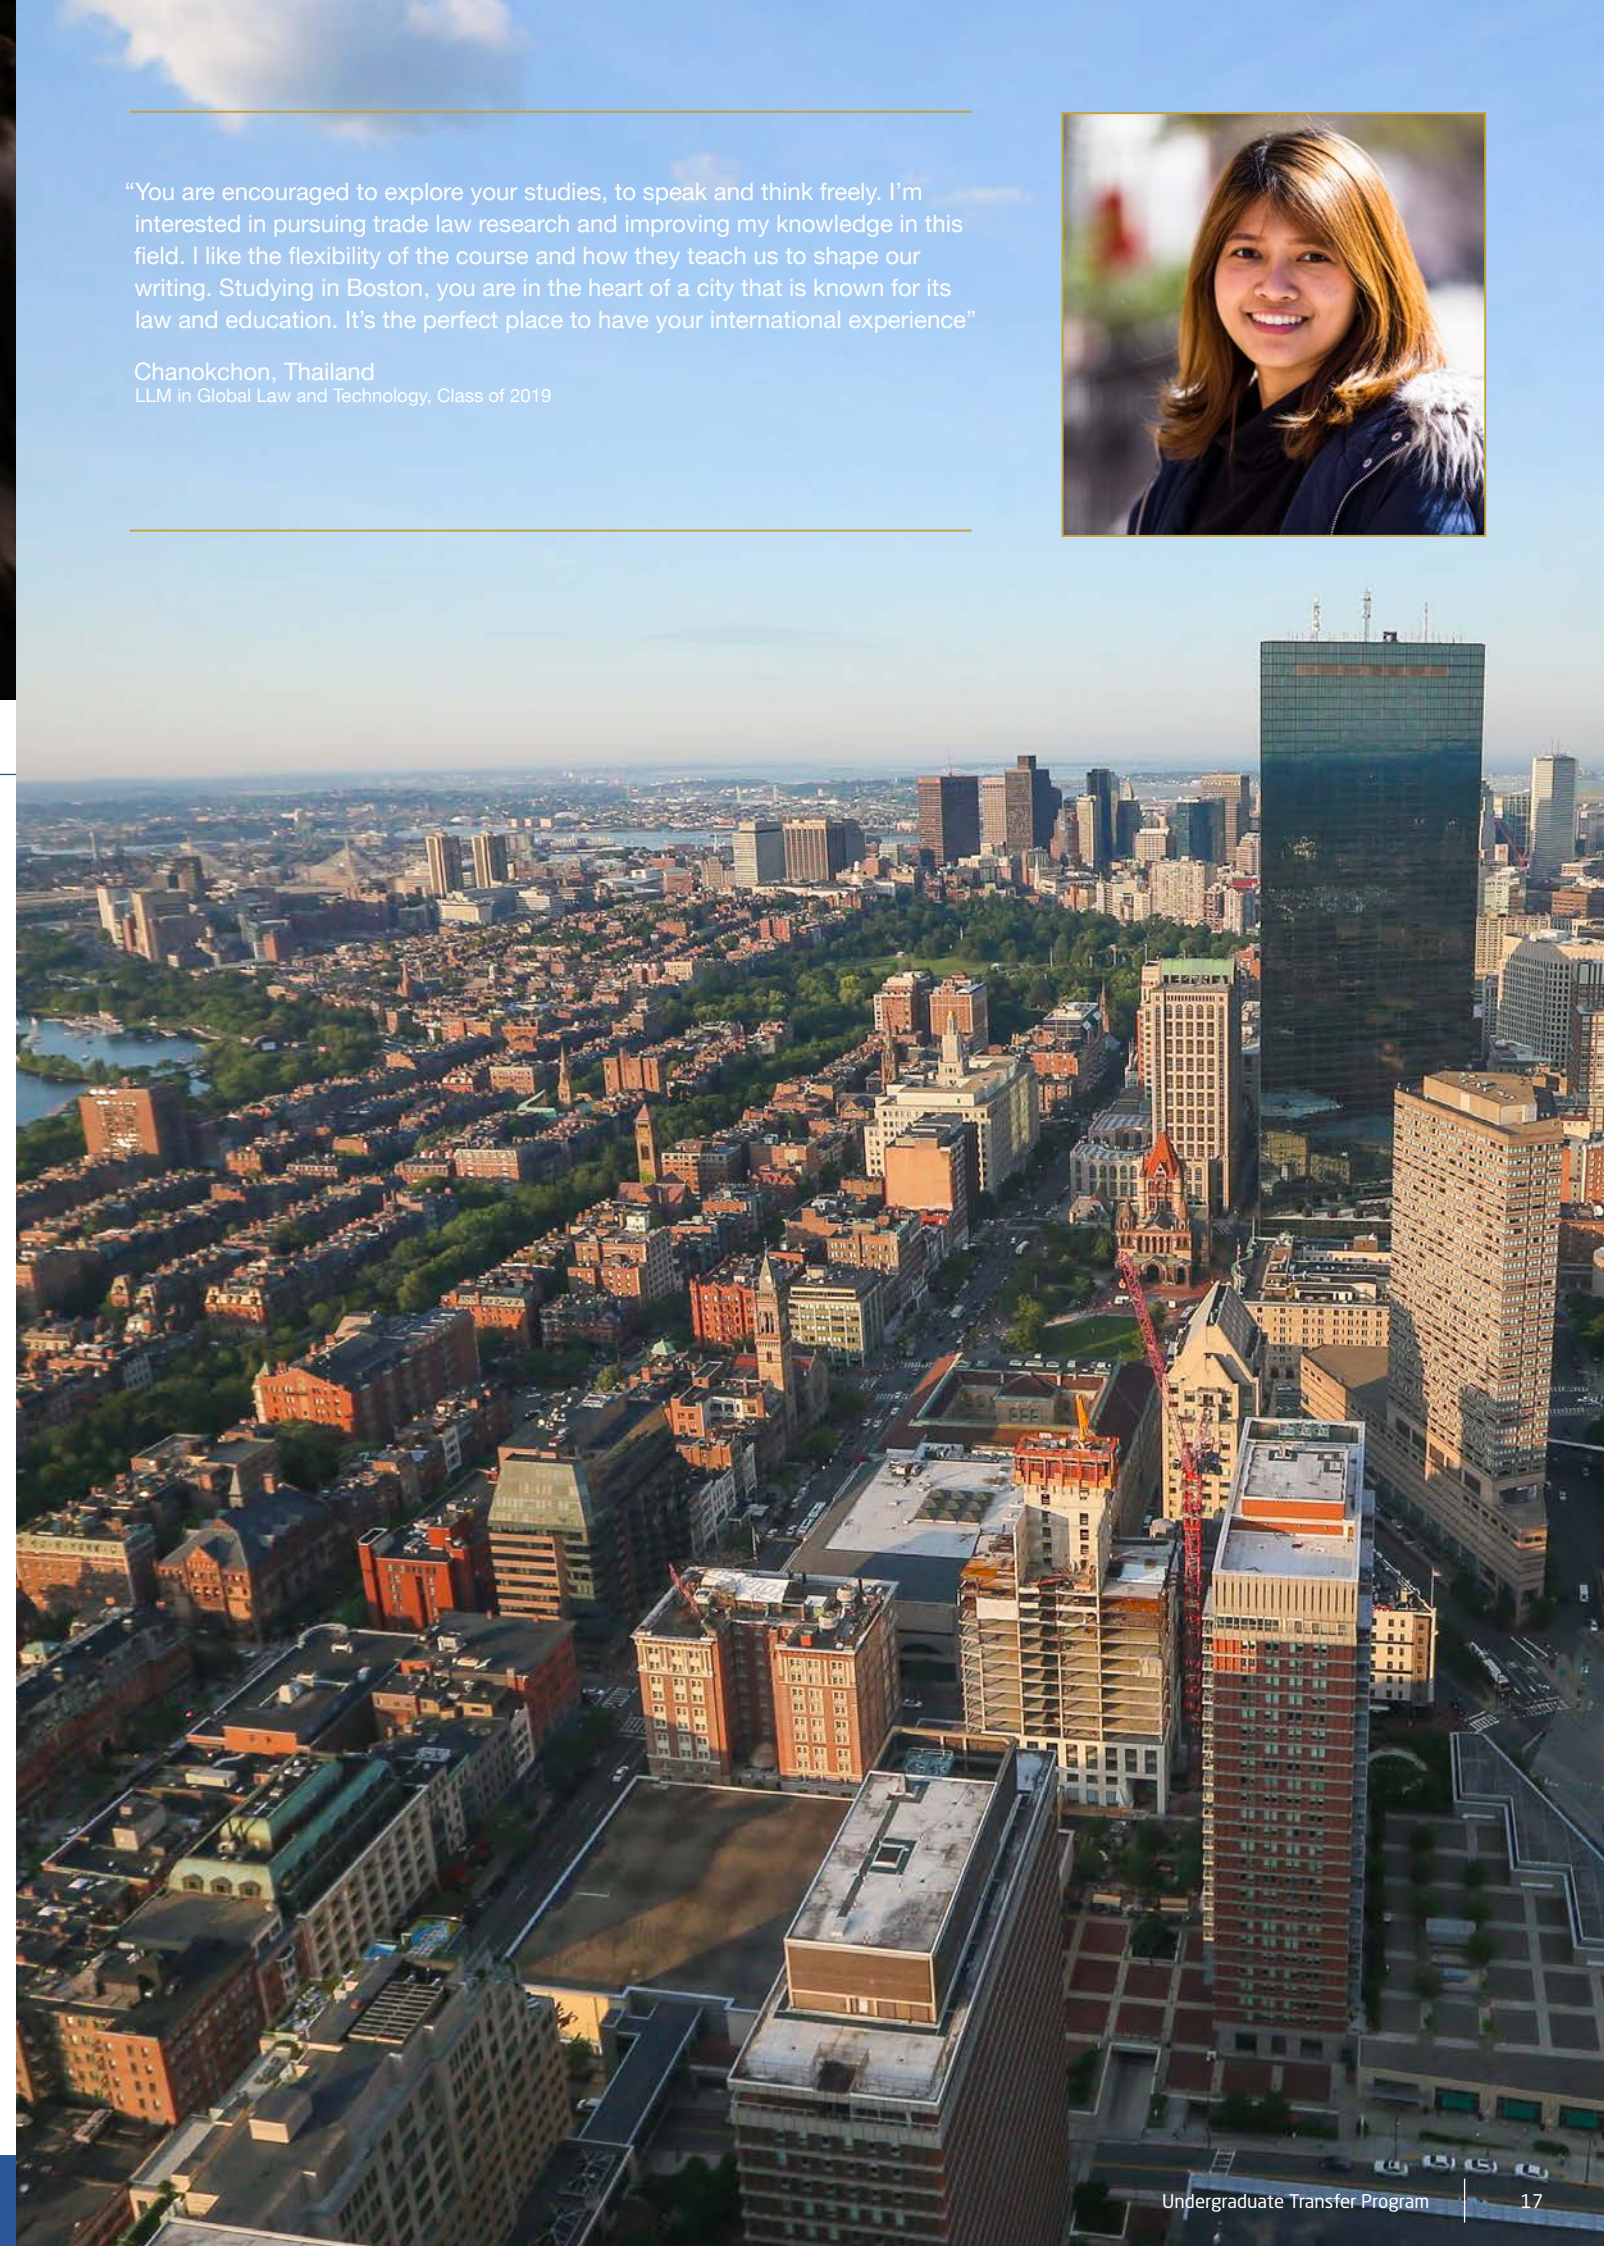

UTP Benefits

- Transfer of credits from your college or university-level classes to your degree
- Receive customized curriculum of university credit-bearing courses
- Quick turnaround time for offer (5-7 business days)
- Unofficial Pre-Arrival Credit Evaluation (15 additional business days after receiving offer letter)
- Guaranteed progression to any undergraduate program upon successful completion of your UTP
- Academic advising throughout the program including progression and student success advisors

GRADUATE ADMISSIONS

Based on your academic qualifications, there are many ways to start your graduate studies at Suffolk. No matter what path you choose, our 50+ degree programs blend classroom instruction with practical learning experiences that directly connect you to Boston’s business, political and cultural landscapes.

→ **Direct Entry:** If you meet the academic and English language requirements for your degree program, you can apply directly to Suffolk University.

To apply, you will need the following required documents: declarations, university transcripts, proof of degree, passport, English test score, goal statement, recommendation letters (varies by program), résumé and interview (for selected majors). An application fee may apply.

Graduate degrees are competitive, and an extensive review of your application will be done. Please expect a longer turnaround for an admissions decision. For more information, visit www.suffolk.edu/admission/international-students

→ **Graduate Pathway:** Our Graduate Pathway programs allow you to begin earning credits toward your degree even if you do not meet the direct entry requirements. The program will help build the academic foundation and essential English language skills you need to successfully move on to your master’s degree. You’ll receive the highest level of support with dedicated academic advisors throughout your program. Your Pathway program length is determined by your English language scores. For more information, visit www.intostudy.com/suffolk/programs

→ **English Language Program:** If you do not meet the direct or Graduate Pathway entry requirements you can enter our Academic English program to improve your academic and language skills. Once you have achieved the required language level, you can progress to a Graduate Pathway program. Learn more on page 20.
