STUDENT CODE OF CONDUCT POLICY STATEMENT 2021-22

INTO University Partnerships Limited (“**INTO**”) expects all students to show respect for one another and all members of staff. This Policy Statement sets out the expectations INTO has of you as a student and applies to all students on taught programmes and/or courses at any INTO Centre.

IMPORTANT: specific operational procedures for students may differ according to each INTO Centre. The relevant INTO Centre’s own Code of Conduct in relation to the conduct and behaviour expected of students is available on request from the relevant INTO Centre.

Any breach of this Policy Statement or the INTO Centre’s Code of Conduct will be taken seriously and where necessary dealt with through the INTO Centre’s Student Disciplinary Policy.

STUDENT MISCONDUCT

The relevant INTO Centre’s Student Disciplinary Policy may be invoked if a student is alleged to have committed any action which adversely affects the safety or well-being of any staff and/or students and/or visitors, or which may bring INTO into disrepute, whether they take place on INTO premises or elsewhere, including online and on social media.

Examples of such misconduct are included in each INTO Centre’s Code of Conduct.
