

University Access Centre (UAC)
Jakarta
Indonesia

- **External UAC view** - The centre in West Jakarta is just 30 minutes from the international airport, in Puri Indah Financial Tower, a grade A, 25-floor office building. The ground floor also has 24-hour security providing peace of mind for staff and visitors alike.

- **External UAC view** - Situated on the ground floor of the tower which is nestled between shopping malls and several international schools. The visually striking façade and UAC back-lit logo, are clearly visible to passing pedestrians and visitors.

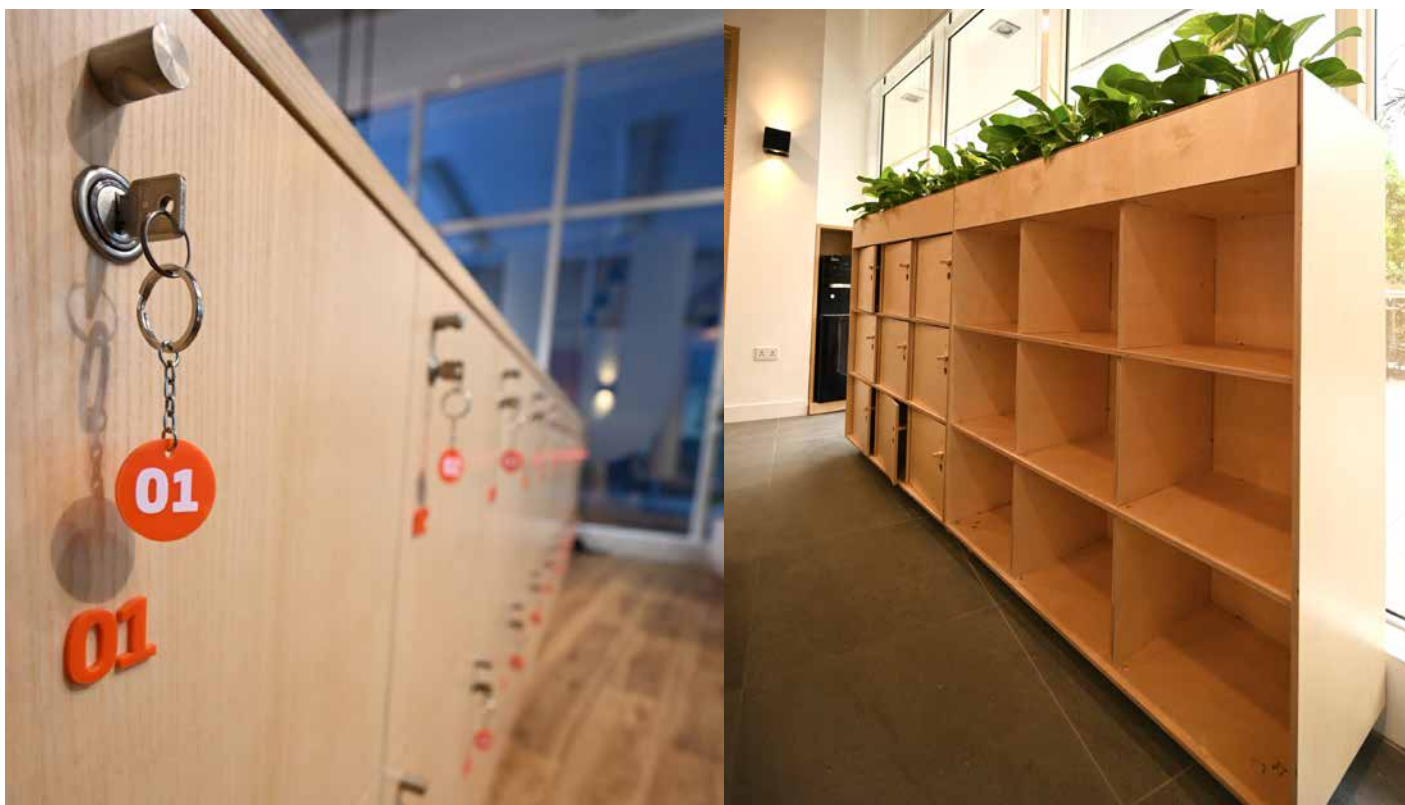

- **Internal UAC view, reception area** - The 93-inch display screen is on loop 24 hours a day showcasing our university partners. The reception area can be used for discussing study options with students, parents as well as delivering presentations and workshops.

- **Internal UAC view, reception area** - IT savvy, modern and vibrant reception area with a bar table, working area for students, casual counselling area. The open interior allows students and educators to interact freely much like an education exhibition.

- **Internal UAC view** - The Wi-Fi enabled centre with its open spaces contains a variety of areas for staff to work or to counsel students, inclusive of private meeting rooms. Towards the rear is the hot desk area as well as secure storage for visitors and staff alike.

- **Internal UAC View, student & staff storage** - Clean lines, modern and secure. Student lockers (left) to be used for periods of self-study or during Computer Delivered IELTS testing. Lockers and a water dispenser for staff (right) are in the staff area.

- **Hot desk area** - This space allows staff and international officers to work and collaborate. The open, well-lit area provides bar table as well as long table style seating. Hidden HDMI, LAN and power sockets preserve the clean-line look.

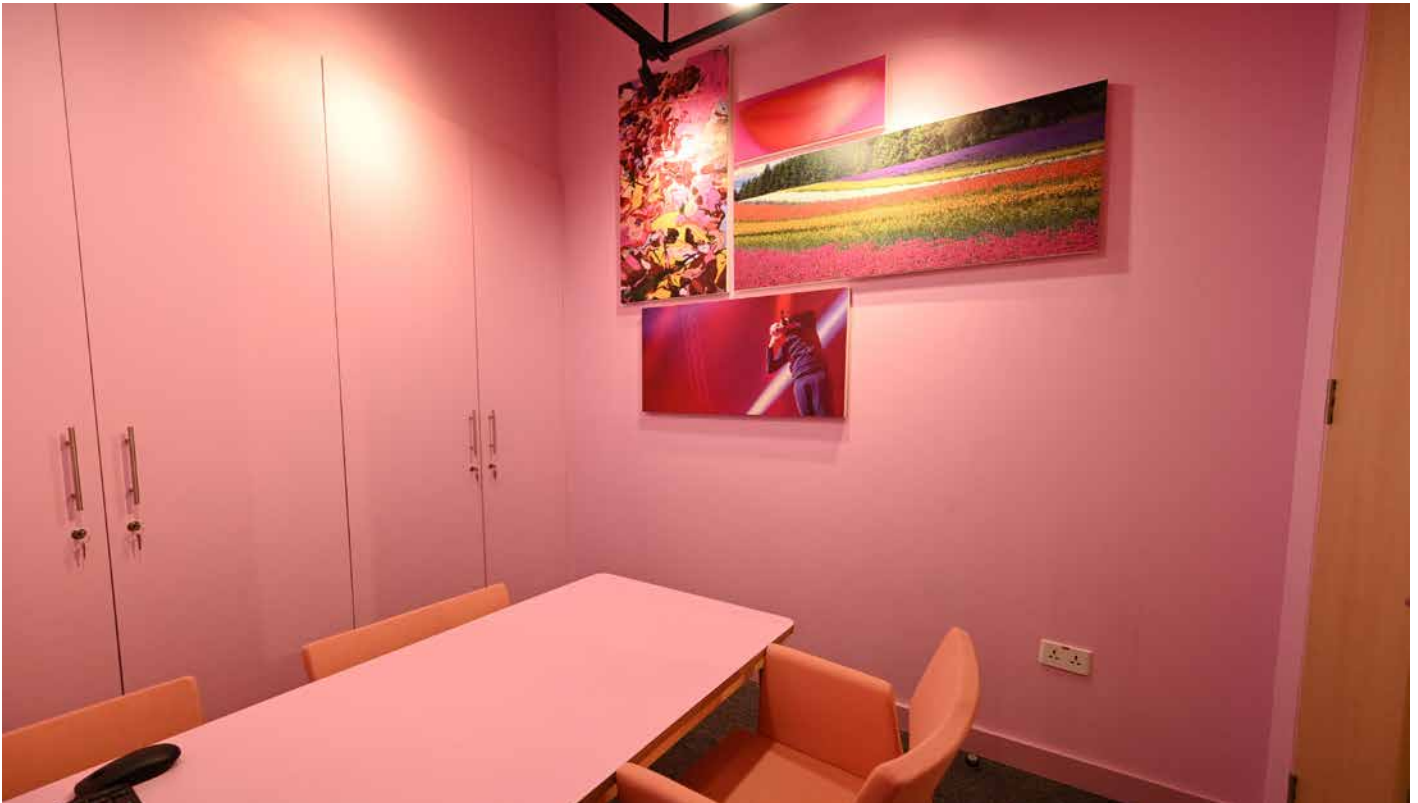

- **Hot desk area** - With one large 8-person desk, as well as the bar tables, collaborative and individual work become easy. Storage space for marketing collateral and equipment is provided via hidden shelves in the interview rooms.

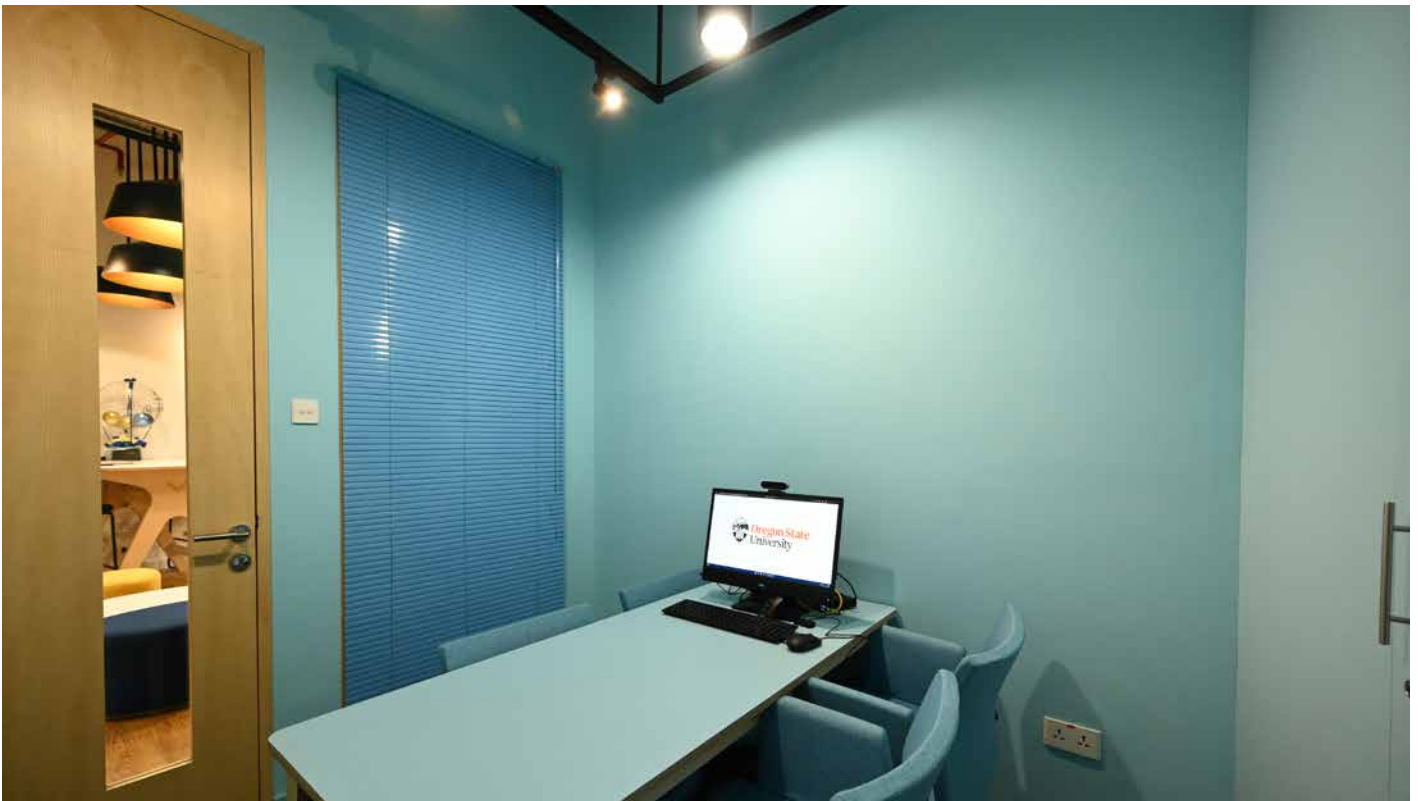

- **Interview rooms** - The centre includes three interview rooms that can be used for consultation sessions with students, parents and other stakeholders. It can also be used by university staff to liaise with their in-country international officers.

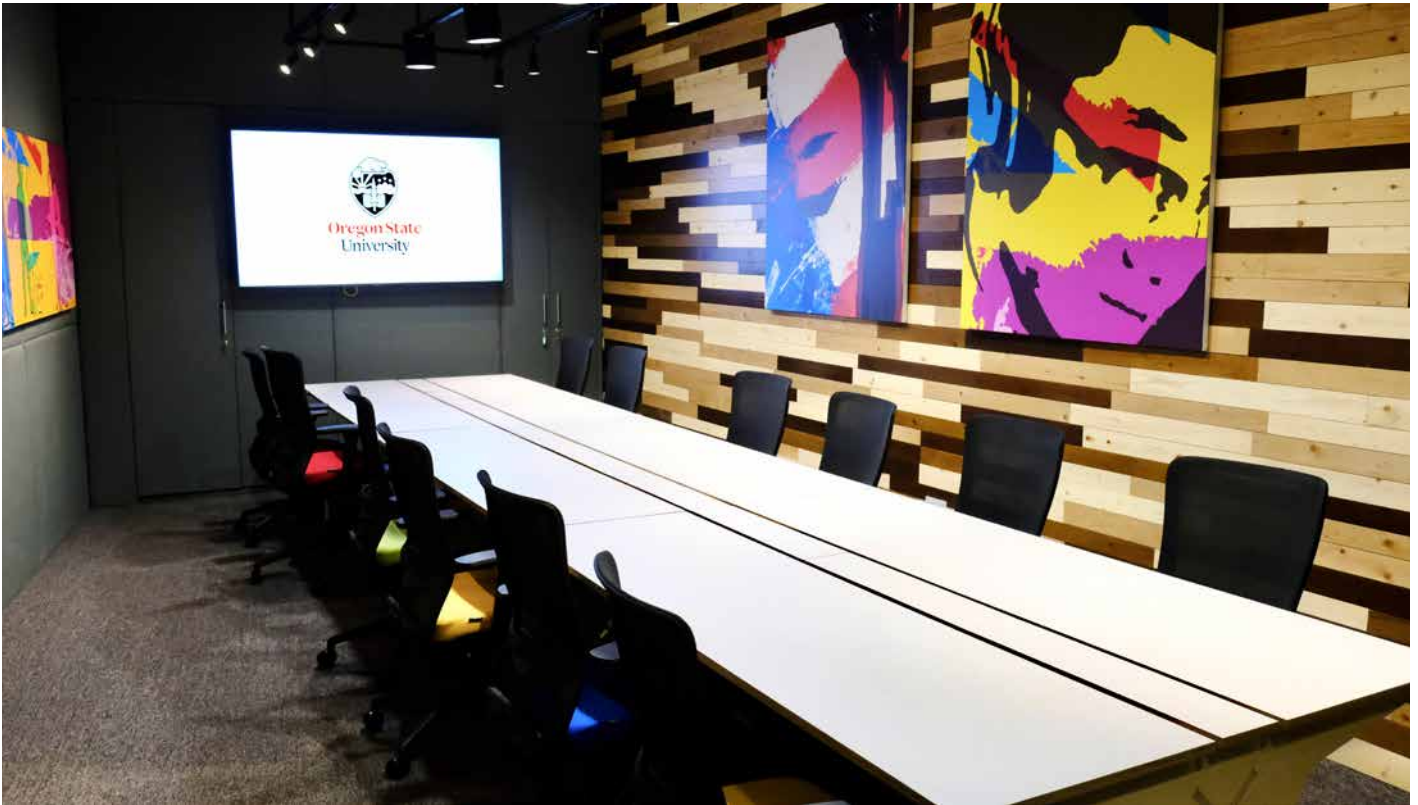

- **Interview room** - Soundproofed and with blinds to enable privacy, the centre's interview rooms can be used for meetings, interviews and IELTS oral testing. On-brand colour scheme seen throughout the facility is clearly visible.

- **Interview room** - Each soundproofed interview room has excellent lighting and Wi-Fi. In addition, there is ample storage space which can be used by staff to store brochures and other marketing collateral.

- **Interview room** - The centre also facilitates remote IELTS speaking tests which can be repurposed for other types of remote proctoring. Each room has plenty of space for test takers, examiner and chaperone.

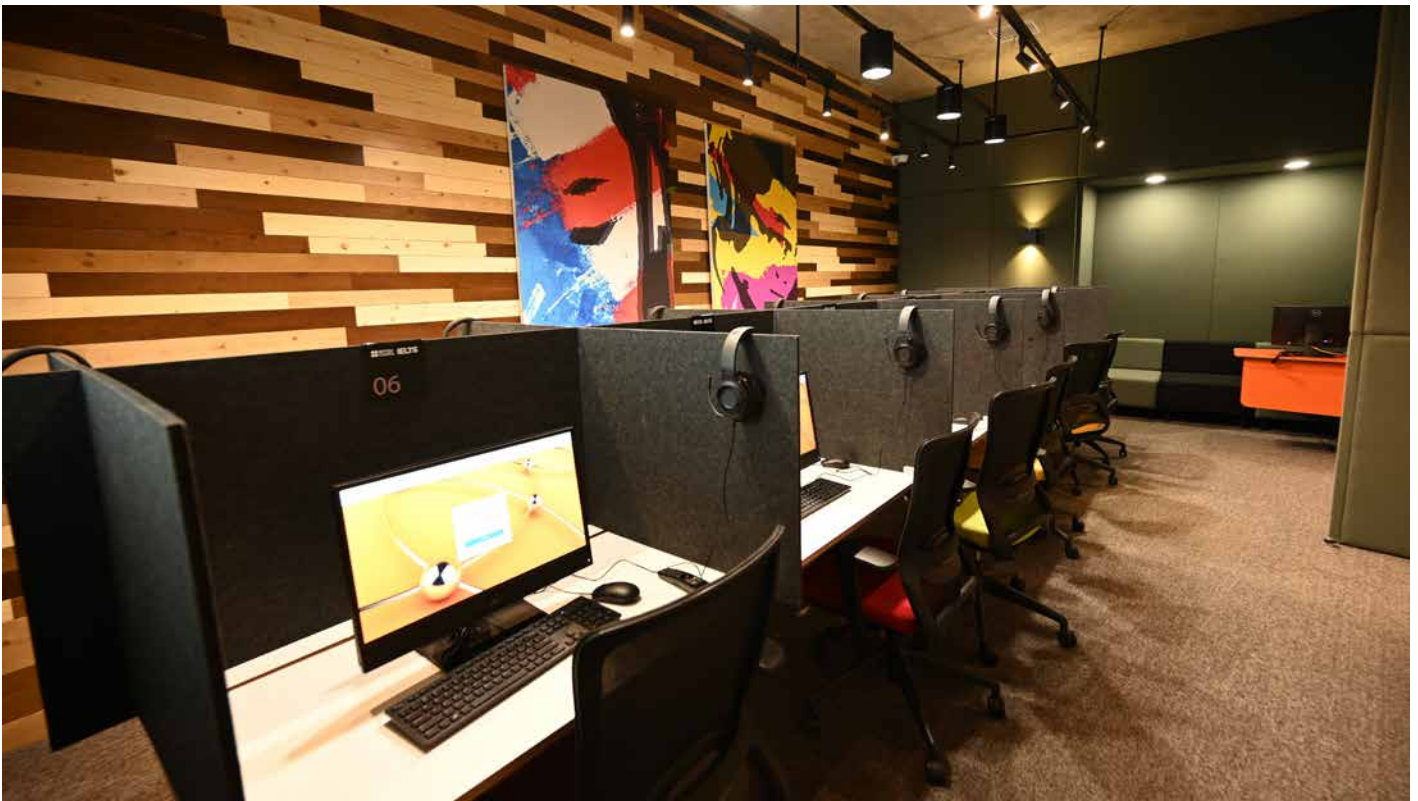

- **Multifunction room** - Twelve workstations with dedicated power, HDMI outlets and LAN connections. Equipped with a smart screen TV that links to the centre internet and allows for seamless connectivity to laptops and other devices.

- **Multifunction room** - The area is truly multifunctional and can be used for a range of activities, from group meetings, hot desking, teaching, conference calls and secure examinations.

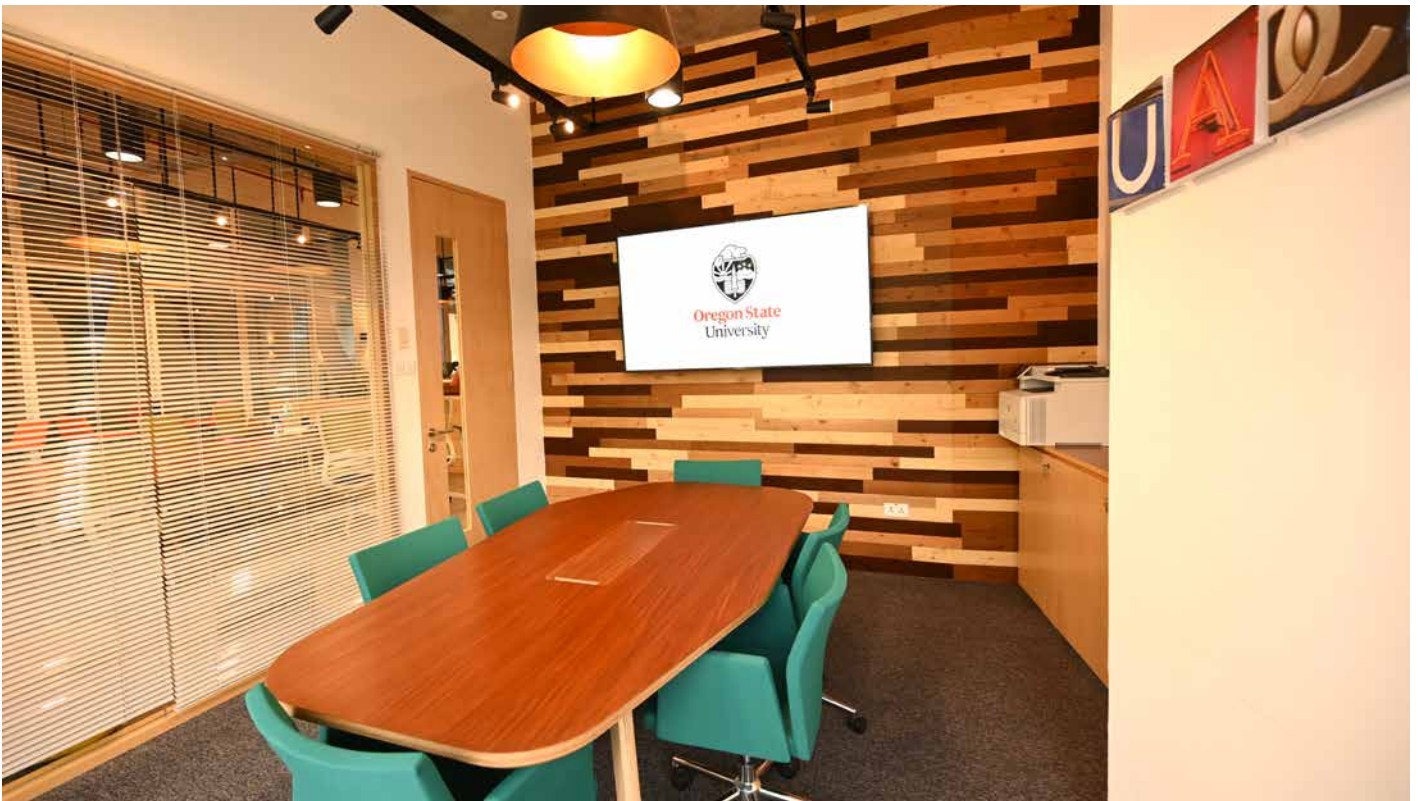

- **Multifunction room** - Echo absorbing interior, comfortable office chairs and modern technology makes this multifunction room a stand-out testing facility which can be used for a variety of secure examinations.

- **Multifunction room** - The soundproofed area with dividers installed, and computers set up, becomes a dedicated Computer-Delivered IELTS exam room and can be used to deliver up to 10 IELTS tests per session.

- **Conference room** - The panoramic windows facing the green exterior fills the room with natural daylight. All windows are fitted out with blinds to ensure privacy when needed.

- **Conference Room** - Situated towards the rear of the centre, the conference room has space for up to six people. Fully equipped with a smart screen and HDMI/Airplay connectivity, this room can be used as a staff office or for online and offline meetings.
