

University Access Centre (UAC)
Bogotá
Colombia

- ▶ **External UAC view** - UAC Bogotá is located in the Salitre district, just a short 20-minute taxi ride from the international airport. Being close to the British Council offices, US Embassy and the Ministry of Education makes it an ideal recruitment hub.

- ▶ **External UAC view** - In addition to being strategically located in the city, the office neighbours popular local coffee shops and restaurants. The spacious outside area also invites people to stroll around the complex and relax.

- ▶ **External UAC view** - The centre can be found on the 3rd floor of this 10-storey building accessed via its multiple high-speed lifts. The lobby reception is staffed during office hours providing directions to all building visitors.

- ▶ **External UAC view** - The centre is located just a few metres away from the high-speed lifts. The glass door exterior allows light to flow into, and out of, the UAC highlighting the visual effects and branding.

- ▶ **Internal UAC view, reception area** - IT savvy, modern reception area with a casual counselling area. The open interior, with hot desking towards the rear allows students and educators to interact freely much like any education exhibition.

- ▶ **Internal UAC view, reception area** - The casual multifunction area can be used for discussing study options with students, having informal chats with parents and interactive agent workshops.

- **Internal UAC view, reception area** - Wi-Fi enabled throughout, the reception area can be used for informal one-to-one counselling or group training. The centre has hot and cold drinking water for visitors and staff.

- **Internal UAC view, student & staff storage** - Clean lines, modern and secure. Student lockers to be used for periods of self study or during Computer Delivered IELTS testing. Lockers for staff are located in the adjacent staff area.

- ▶ **Internal UAC view, hot desk area** - With one large 8-person desk, as well as stools nearby for more informal conversations, make collaborative and individual work easy. Concealed storage provides ample space for marketing collateral.

- ▶ **Internal UAC view, hot desk area** -The centre has additional seating to the rear in the multifunction room. Hidden HDMI, LAN and power sockets preserve the clean-line look.

- **Internal UAC view, hot desk area** - The large table desk located just beyond the reception makes it easy to interact with any visitors. The server room located behind provides a highspeed, secure and robust Wi-Fi throughout the centre.

- **Internal UAC view, hot desk area** - The open, well-lit area provides a variety of work spaces for staff and international officers, inclusive of 3 smaller meeting rooms in the background.

- **Interview & conference room** - Complete with the latest AV equipment and wireless connectivity, this room allows staff and international officers to stay connected with colleagues worldwide.

- **Interview & meeting rooms** - Spacious and soundproof, these rooms are approved for IELTS speaking tests. The window facing the open UAC space is equipped with roller blinds to also enable privacy when needed.

- ▶ **Interview & meeting room** - Each interview and meeting room can be used by staff for private meetings with students, parents or colleagues overseas. It can even be used for hot-desking.

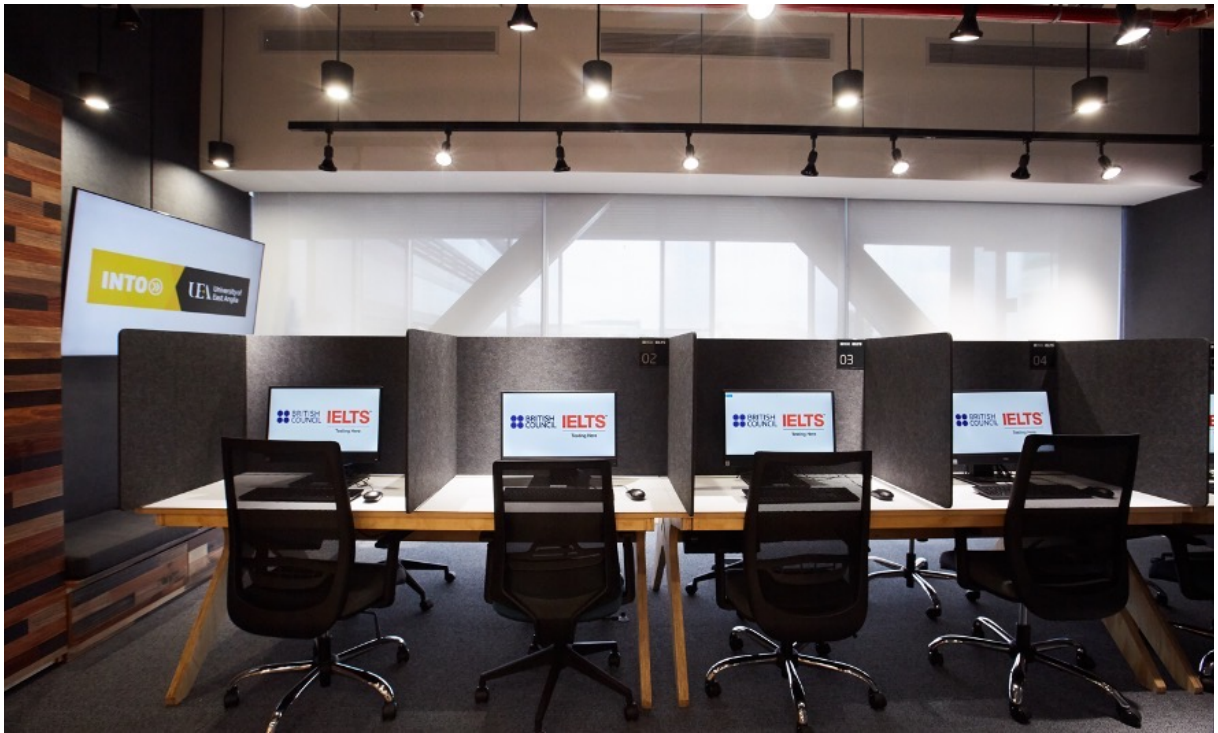

- ▶ **Interview & meeting rooms** - The on-brand colour scheme seen throughout the facility is clearly visible and all meeting rooms include hidden storage units to enable staff to store their marketing collateral.

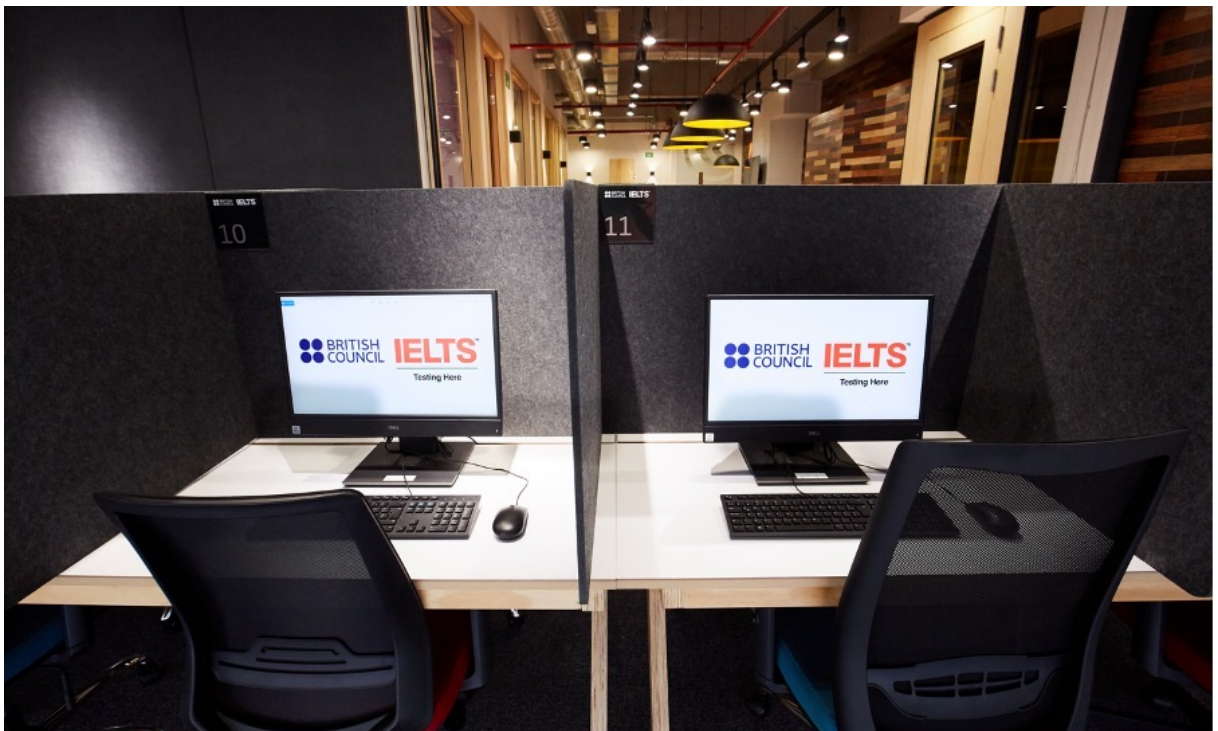

- ▶ **Multifunction room** - The multifunction room can be used by university partners and other stakeholders for private presentations, seminars and workshops. It can also be used for academic delivery.

- ▶ **Multifunction room** - 10 workstations with dedicated power, HDMI outlets and LAN connections. Equipped with a smart screen TV that links to the centre internet and allows for seamless connectivity to laptops and other devices.

- **Multifunction room** - With bifold doors shut, blinds rolled down, dividers installed, and computers set up, the area becomes a dedicated Computer-Delivered IELTS (CDI) exam room.

- **Multifunction room** - The multifunction room with removable desktop dividers can accommodate 10 test takers at full capacity and can be used for a variety of secure examinations.
