

Student Accommodation Preference Form

At UWA College we want to ensure that all our students have a very positive experience that provides the best preparation for their UWA student journey, both academically and socially.

This includes providing accommodation options that are designed to offer safe and welcoming environments that support and celebrate the international student experience.

Please note that as a result of the previous two years of COVID-19 restrictions, there is an unprecedented level of interest in UWA's accommodation options. As such, housing availability is currently allocated on a first-come, first-served basis. So, while UWA College can reassure you that you will have accommodation available when you commence your study, *it is not possible to guarantee placement into your first-choice accommodation option* at this time.

If you request that we do so, we can however work to move you to your preferred accommodation option as soon as a vacancy becomes available.
