WHY PURSUE A ONE-YEAR MBA

Students in Saint Louis University's One-Year MBA program develop highly sought analytics skills and supply their knowledge through strategic consulting experience. Our program brings faculty from across disciplines together to team teach each course. One-Year MBA students learn how accounting impacts finance, how economics impacts marketing, and how to leverage data to drive business results. The fast-pace, dynamic program offers the quickest path to an AACSB-accredited MBA in the region.

Earn your MBA in 11 months through SLU's full-time program, and accelerate your career with competitive business knowledge, in-demand skills and step-by-step career support. Prior work experience is not required.

PROGRAM HIGHLIGHTS

- **Accelerate your career.** Complete your MBA in 11 months.
- **Master competitive skills.** Develop highly sought analytics skills and gain experience using data analysis and visualization tools.
- **Build your résumé.** Put your newly developed data analytics skills to work through a 20-hour-per-week consulting project with a local company or nonprofit.
- **Gain global experience.** Complete an international brand audit during a one-week global immersion experience.
- **Get the support you need.** Work with your career advisor through a year-long course to develop an individualized plan for your post-MBA career.
