

INTO»LONDON

Where ambition becomes success

University pathways for international students

2025-26

Wherever you want to go, we'll help you get there

Welcome to INTO London – your tailored route to a choice of top universities across the UK.

First stop London, next stop success.

Thanks to our network of more than 100 universities, INTO London offers international students the opportunity to explore a wide range of UK study options before investing in a degree.

We're an INTO Choice centre, which means you don't need to commit to a university or subject before starting your studies in the UK. Once you're in London, our specialist team will help you understand your options, prepare a stand-out application and visit different universities to find your perfect fit.

Our students have achieved places at universities across the UK – including world top 100¹, Russell Group and London-based institutions. We'll do everything we can to help you reach your full potential, providing expert support every step of the way.

"At the INTO centre, we are dedicated to fostering academic excellence and a genuine love of learning. Our supportive teaching prepares students for university, helping them reach their full potential and embark on a meaningful journey of discovery."

Robin Peel

Centre Director, INTO London

Choose your path to success

INTO London now offers two distinct routes tailored to your academic interests:

BASS Business, Art and Social Sciences

International Foundation in Business, Finance and Social Sciences

International Year One in Business

Central London location

The best city in the world for students¹

"INTO London provided thorough support for my university application, and the programme prepared me with the fundamentals to progress to university."

Jane, Malaysia

Head of Marketing at Leading Your International School

- International Foundation at INTO London: Business, Art and Social Sciences
- BSc (Hons) Business Management from Queen Mary, University of London (1st class honours)
- MSc Economics and Strategy for Business from Imperial College London

¹ QS Best Student Cities 2025

Discover London

London consistently ranks as the best city in the world for students, and it's easy to see why.

Not only will you find the hottest new music, world-famous landmarks and an incredible food scene – it's also the perfect base for exploring universities across the UK. There's something everyone in the UK's vibrant and multicultural capital city.

Best city

in the world for
8 years running¹

Exploring your options

Just a 3-minute walk from the INTO Centre, you'll find connections to the rest of England and beyond via Liverpool Street station.

From here, it's easy to visit universities across London and the rest of the UK, including Birmingham, Bristol, Leeds and Manchester – all around 2 hours from London by train.

Exploring the city

INTO London's central location is perfect for exploring everything London has to offer. Hop on a tube, catch a bus or take a walk to discover:

- delicious global food at Spitalfields Market, Camden Market, Brick Lane or Petticoat Lane
- vintage clothes and cool coffee shops in Shoreditch, London's creative district
- famous museums and landmarks including the Tate Modern, Buckingham Palace and Tower Bridge
- world-class plays and musicals in the West End
- sporting events at Wimbledon and Wembley Stadium.

How much does it cost to live in London?

Transport (single journey)	£1.75+
Taxi from the airport	£70
Eating out (inexpensive meal)	£20
Weekly grocery shop	£49
Cappuccino	£3.60
Cinema ticket	£15
University accommodation	From £389+ per week

Studying in London

London's endless resources, exhibits and historical connections make it an exceptional place to study any subject. From famous museums showcasing iconic culture to research centres changing the world through science, inspiration is everywhere here. Not only that – London is a global hub for the entire spectrum of industries, with unrivalled opportunity for professional growth too.

Thanks to the INTO Centre's central location, you'll have easy access to countless opportunities to enrich your study experience.

Business, Arts and Social Sciences

Business

The City – the financial heart of the UK, home to the London Stock Exchange and numerous global banks.

Canary Wharf – a major business district filled with multinational company headquarters.

The Bank of England Museum – discover the history of the UK's central bank and financial system.

Shoreditch – London's creative district with a vibrant startup scene.

Law

The Royal Courts of Justice – a historic building where public court hearings for major civil cases are held.

The Supreme Court – watch cases being argued at the UK's highest court.

The Old Bailey – the Central Criminal Court of England and Wales, known for handling high-profile cases.

Parliament – observe public debates and meetings at the Houses of Parliament, where UK laws are made.

The arts

The Tate Modern – an iconic museum showcasing contemporary art from around the world.

The British Museum – a vast collection of art from different cultures and historical periods.

The National Gallery – masterpieces by renowned artists including Van Gogh, Da Vinci and Turner.

The Barbican Centre – a major arts venue offering exhibitions, theatre productions and film screenings.

The Barbican Centre

Parliament

The British Museum

Spitalfields Market

London is a global hub for the entire spectrum of industries

Stem, Medicine and Health

Computer science

Tech City – Europe's fastest-growing tech hub for startups, accelerators and industry giants.

The Science Museum – visit exhibits on computing history and the latest technological innovations.

The Alan Turing Institute – the UK's national institute for data science and AI.

London Tech Week – annual conferences, exhibitions and networking with industry leaders and innovators.

Engineering

The Design Museum – exhibitions focusing on architecture, product design and technology.

The Thames Barrier – one of the world's largest movable flood barriers, protecting London from tidal surges.

The Crystal – an initiative showcasing engineering innovations for sustainable urban development.

The Shard – an iconic skyscraper and feat of engineering, with beautiful views of the city.

Medicine

The Wellcome Collection – a museum and library dedicated to medical history, contemporary medicine and scientific research.

The Old Operating Theatre Museum and Herb Garret – one of the oldest surviving surgical theatres.

The Florence Nightingale Museum – learn about the life and legacy of modern nursing's founder.

The Science Museum's Medicine Galleries – a vast collection dedicated to the history of medicine.

Our university network

“

I was thrilled with the never-ending support from INTO London.

1 QS World University Rankings 2025

"INTO London has not only given me an amazing time where I got to meet my friends for life, it gave me an amazing learning opportunity where I was able to explore my interest of art guided by the dedicated tutors. If I could turn back time to my foundation year experience, I would definitely in a heartbeat!"

Caroline, Indonesia

Influencer Manager at UltraClout Media, London

- International Foundation at INTO London: Business, Art and Social Sciences
- BA (Hons) Graphic Design at Kingston University London
- Graduate Intern at Kingston University Careers and Employability Service

"Having entered with just a diploma, the INTO London Pre-Master's programme played a huge part in securing my admission to the Master's program at the University of Sussex. I have now graduated with distinction, which stands as a testament to the invaluable support provided by INTO London and my education journey."

Odwin, Indonesia

Digital Content Specialist at Harrods, London

- Pre-Master's at INTO London
- MSc Entrepreneurship and Innovation at the University of Sussex
- Digital Media Creator at the University of Sussex

"INTO London is much beyond just an institution. It is creating the pioneers of the future. INTO has moulded my personality and I am incredibly grateful to the guidance and motivation that inspired me to achieve my goals – studying what I love and doing the job I wanted."

Akshav, Mauritius

Unmanned Traffic Management Systems Engineer at ANRA Technologies

- International Foundation at INTO London: STEM, Medicine and Health
- BEng (Hons) Aerospace System Engineering with Pilot Studies at University of the West of England
- MSc Avionics System Design at Cranfield University

¹ INTO Annual Student Experience Survey 2023

Supporting your study abroad journey

Your success is our priority. At INTO London, we're committed to helping you secure a place on your ideal degree program at a university that's right for you.

We'll get to know you – your goals and ambitions – to help you find your perfect fit. Thanks to our University Guidance Service, you'll navigate the application process smoothly with expert support every step of the way.

How will INTO London support you?

Student services team

Our experienced team offer a wide range of support services during your time at the Centre, including:

- help registering with a doctor and opening a bank account
- visa and immigration guidance
- a fun-filled orientation programme in your first week
- 24/7 helpline for out-of-hours emergencies
- additional support for students under 18.

Tailored study programmes

Every student is different, so we offer personalised courses and support to suit your individual needs, including:

- your own Personal Tutor
- more language classes for students who need it (and fewer for those who don't)
- embedded specialist skill modules.

Science and Engineering – IFSE

Choose from
80+ degrees.

This is London's globally recognized route to world top 100 universities for engineering and science. Choose from a wide range of popular degrees such as engineering, computer science and biomedical sciences – with specialist options in cutting-edge fields such as AI, climate science and cloud computing.

What will I study?

3 of the four following modules*:

Biology
 Chemistry
 Mathematics
 Physics

Additionally, all students will study:

Academic English or Research Skills**

When you successfully complete this programme, you're guaranteed a place at one of 50+ NCUK University Partners, including:

12
Russell Group
universities

5 universities
in the world
top 100†

4
universities
in London

* The choice of modules depends on your intended degree programme. Some combinations may not be offered.

** Whether you study Academic English or Research Skills will be determined by your language level upon entry.

† QS World University Rankings 2025

Tohfah, South Africa

- Completed an **International Foundation in Science and Engineering** at INTO London
- Graduated with **BSc (Hons) Computer Science with High-Performance Graphics and Games Engineering** from **University of Leeds**
- Continued to study a **MSc in Data Science and Artificial Intelligence** at **University of Exeter**

English language courses

Learning English in a native-speaking country immerses you in the language, accelerating your progress. You won't just improve faster – you'll also grasp regional differences and understand how English speakers use different words and phrases in real contexts. Choose from our range of English language courses designed to enhance your skills in preparation for university, work and life.

Academic English with IELTS Preparation

- Develop your language skills for university study through high-quality English language teaching.
- Increase your IELTS score by up to 0.5 points in just six weeks.
- Receive expert IELTS support including preparing for and booking your test (if required).
- Develop a personalised study plan and end goals with the help of your Personal Tutor.
- 6 and 12 week courses available.
