

Direct Entry Terms and Conditions

Effective: 01 January 2023

Australia

1. Commission is paid on the first year of tuition fees paid by the student minus any institutional aid (i.e., net tuition) for both undergraduate and postgraduate programs, however all payments are subject to final validation from University Partners
 - Where there are multiple agents involved in an application, as deemed by the university, the university will make the final decision on attribution of the student and payable commission.
2. Title IV-Eligible Students; US citizens who are recipients of US federal funding for studies will not be eligible for commissions
3. The Academic English programme is taught as per English language programs above by the CELT on Claremont Campus of The University of Western Australia
4. INTO will not process applications and commission is not payable for the following study plans:
 - a. study abroad programs
 - b. short courses
5. Commission is payable for HRD and PhD enrolments where the student is self-funded, or government sponsored.
6. Commission is paid against net tuition fees received by the University for the first year of study
7. Existing representatives of The University of Western Australia should continue to apply to the university Direct and will be paid at contracted rates; commission will be administered and paid directly by the University, not by INTO.
