This guide is provided by The University of Alabama at Birmingham Admissions for general reference purposes only. Meeting the requirements listed here does not necessarily indicate that an applicant has met all admission requirements or that an applicant will qualify for admission to UAB or INTO UAB.

When referring to the following guide, be aware that this is not inclusive of all grading or admission requirements. Grading systems and educational structures vary widely around the world and within countries and we evaluate each application individually to determine if the applicant meets the standards for success at The University of Alabama at Birmingham. Please also be aware that requirements by country are updated and adjusted appropriately throughout an academic year and might not be current in this brochure.

This guide is provided by The University of Alabama at Birmingham Admissions for general reference purposes only. Meeting the requirements listed here does not necessarily indicate that an applicant has met all admission requirements or that an applicant will qualify for admission to UAB or INTO UAB.

When referring to the following guide, be aware that this is not inclusive of all grading or admission requirements. Grading systems and educational structures vary widely around the world and within countries and we evaluate each application individually to determine if the applicant meets the standards for success at The University of Alabama at Birmingham. Please also be aware that requirements by country are updated and adjusted appropriately throughout an academic year and might not be current in this brochure.

This guide is provided by The University of Alabama at Birmingham Admissions for general reference purposes only. Meeting the requirements listed here does not necessarily indicate that an applicant has met all admission requirements or that an applicant will qualify for admission to UAB or INTO UAB.

When referring to the following guide, be aware that this is not inclusive of all grading or admission requirements. Grading systems and educational structures vary widely around the world and within countries and we evaluate each application individually to determine if the applicant meets the standards for success at The University of Alabama at Birmingham. Please also be aware that requirements by country are updated and adjusted appropriately throughout an academic year and might not be current in this brochure.
